

Event Volunteer – Dixons Carphone Race to the Stones

Role Description

Summary

We are looking for amazing people to join our world-class volunteer team to support the participants on this years Dixons Carphone Race to the Stones.

The event is an unforgettable 100km run/walk along The Ridgeway, Britain's oldest path, with the 2019 event taking place on Saturday 13th & Sunday 14th July.

More than 2,500 people will take part in the event this year, each one of them leaping out of their comfort zone, pushing themselves in ways they never thought possible, all while raising hundreds of thousands of pounds for charity.

The key to the success of these inspirational individuals is providing support and encouragement every single step of the way. That means cheering on the start lines and through the pit stops, handing our refreshments and snacks, supportive words and empathy when the going gets tough, and celebrating at the finish lines with medals and hugs.

At the heart of providing this support is our brilliant Event Volunteer Team.

We'd love to hear from you if:

- You have taken part in one our events previously (or other endurance events) and understand the impact that event volunteers can have
- You're planning to attend the event to support a friend or loved one and would like to participate in a volunteering capacity.
- And you just love volunteering and helping people achieve their goals
